

Dear Chad MacPherson,

We acknowledge the receipt of the resolutions from the Saskatchewan Stock Growers Association (SSGA) Annual General Meeting held on October 14<sup>th</sup>. Thank you for informing the Pest Management Regulatory Agency (PMRA) that SSGA has adopted a resolution to lobby the Government of Canada to reconsider their decision to cancel the registration of strychnine for the control of Richardson's Ground Squirrels (RGS). Several Notices of Objection requesting the reconsideration of this re-evaluation decision have been submitted to the PMRA and are currently under review.

Thank You,  
Susha
