2024 SEMI-ANNUAL MEETING
Delta Regina
January 24th, 2024

Resolution #1

WHEREAS wildlife damage is a growing problem; and

WHEREAS compensation is available for damaged crops and stack damage but no compensation is available for the loss of stockpiled forages.

BE IT RESOLVED that SSGA lobby SCIC to put a monetary value on stockpiled forages for wildlife damage.

Carried

Resolution #2

WHEREAS e-log regulations are hindering animal movement by increasing transportation costs and time in transit; and

WHEREAS animal health and welfare should be the priority.

BE IT RESOLVED that SSGA lobby the federal government to review their regulations to provide flexibility to drivers.

Carried

Resolution #3

BE IT RESOLVED that SSGA lobby the federal government to have CFIA include compensation to producers for cleaning and disinfection of any reportable disease.

Carried

Resolution #4

BE IT RESOLVED that SSGA lobby the federal and provincial governments to compensate producers for feed costs and any other expenses incurred as a result of a CFIA quarantine.

Carried

Resolution #5

WHEREAS Bill C-282 has the potential to limit Canada's participation in future trade agreements; and
WHEREAS limiting our participation in future trade agreements is a threat to our national economy.
BE IT RESOLVED that SSGA lobby the Government of Canada in opposition of Bill C-282.

Carried

Resolution #6

WHEREAS Bill C-232 is a very generalized environmental emergency framework; and
WHEREAS it has the potential to negatively impact the farming and ranching industry.
BE IT RESOLVED that SSGA lobby the Government of Canada to voice concerns over the government being able to call an emergency and make changes without discussion.

Carried

Resolution #7

WHEREAS the Government of Saskatchewan is in the process of finalizing the regulations for the *Animal Production Act*.
BE IT RESOLVED that SSGA lobby the Government of Saskatchewan to implement a 2.5m setback from the property line in the fencing regulations.
