Chad:

Thank you for sending us the resolutions from the SSGA Annual General Meeting and for giving us the opportunity to respond to Resolution 21.

FCC regularly reviews the effectiveness of its loan products to ensure they meet the needs of our customers. The Transition Loan referenced in the Resolution is currently under review for potential enhancements. I have shared the Resolution with the FCC team for its consideration. At this point, I cannot provide a specific timeline when the enhanced product will be released to the market but can assure you and your members that work is underway.

If you have any other questions or concerns, please do not hesitate to contact me directly. Thank you.

Sincerely,

Todd Klink
